

Products Certification Body
Institute for Testing and Certification, Inc. (ITC), Zlín, Czech Republic

CERTIFICATE

No. 07 0372 T/ITC

Confirms that the product

Adapters, model SMPS / 5W – 48W

manufactured by company

Bhagyashree Industries

Plot No: 39&40, Chitta Reddy Colony, Tarbund X Road, Secunderabad – 500 009, India

complies to the applicable essential requirements of the Directive 89/336/EEC on electromagnetic compatibility and the Directive 2006/95/EC on electrical safety as amended that have been implemented into the harmonized European standards

EN 60950-1 Information technology equipment — Safety — Part 1: General requirements

EN 61000-3-2 Electromagnetic compatibility (EMC) - Part 3-2: Limits - Limits for harmonic current emissions

EN 61000-3-3 Electromagnetic compatibility (EMC) - Part 3-3: Limits - Limitation of voltage changes, voltage fluctuations and flicker in public low-voltage supply systems

EN 61000-6-1 Electromagnetic compatibility (EMC) - Part 6-1: Generic standards - Immunity for residential, commercial and light-industrial environments

EN 55022 Information technology equipment - Radio disturbance characteristics - Limits and methods of measurement

Taking into account the intended use, the ITC Products Certification Body has conducted with successful results the type-examination of the certified product according to relevant parts of the above mentioned Directives and appropriate harmonized European standards.

The product description, documents, assessment procedures and evaluations of the examination are presented in the Final Report No. 313000043/2007 that is enclosed to this Certificate.

This Certificate is issued under the following conditions:

- 1. It applies only to the above referenced models of the product.*
- 2. It does not imply that the Certification Body has performed any surveillance or control of its manufacture.*
- 3. The manufacturer is obligated to assure that all products of the respective models conform to the type assessed by this Certificate.*
- 4. The Certificate remains valid until the manufacturing conditions, the harmonized standards or relevant legislation are changed but until the 31st July 2012 at the latest.*
- 5. After fulfilling the relevant EU legislation requirements, the manufacturer shall affix to each product, of the above referenced models, the CE marking according to this example:*

Issued in Zlín, on 13th July 2007
